This program is based at Silver Lake Medical Center (SLMC) and has strong affiliations with Kaiser Fontana and DVA Loma Linda. The first year is spent covering all podiatric and orthopedic surgery at SLMC along with rotations at other area centers. The second and third year is spent at Kaiser Fontana, DVA Loma Linda & other participating institutions. Kaiser Fontana is home to one of the largest podiatry departments in Southern California and our residents are one of the primary podiatry residents to rotate there. DVA Loma Linda provides our residents with great podiatry clinic experience. Surgical numbers are impressive and far exceed what is required in all categories. The rotations at these facilities as well as local surgical centers will provide our residents with a diverse experience enabling them to graduate well prepared to take board exams and practice in any setting.
