The program at Kaiser - Vallejo is a consortium with the Kaiser Medical Centers in Vallejo, Vacaville, San Rafael & Santa Rosa. We take three residents per year for a PMSR/RRA program with training in all aspects of podiatric medicine and surgery including TAR. The first year rotations are done at Kaiser Vallejo with one month rotations at Highland ER and San Francisco General Hospital UCSF. Second and third years rotate through the various Kaiser facilities in four month blocks. Kaiser Vacaville is a Level 2 Trauma Center. Visit our web page for full details.

We offer a one month clerkship for fourth year students but it is not required for application to the residency program.
