PROGRAM OVERVIEW

The White Memorial Medical Center offers a PMSR/RRA residency. One position is offered each year through the CASPR match. The faculty includes hospital based physicians as well as full time practicing podiatrists, orthopedists, and medical sub-specialists. We offer an inner city patient population in an acute care hospital setting. The teaching program emphasizes surgical volume/diversity, foot and ankle trauma and quality medical rotations. White Memorial has been involved with graduate medical education since 1913. WMMC is an affiliate of Loma Linda University Medical School.
