The program is co-sponsored by Kaiser-Sacramento. TWO out of 4 PGY III residents will go to Kaiser-Sacramento for the third year and the others will remain at the VA ABQ. All sites are designated as PMSR with added credential in RRA. The NM VA Healthcare System has a "sharing agreement" with Kirtland Air Force base which allows our residents to treat young active adults as well as their dependents. The surgery schedule is also very busy and runs 3 full OR days per week with add ons as necessary. All residents share call responsibility. Podiatry covers all lower extremity trauma from our emergency department. The program is well rounded but surgically sways toward advanced trauma and reconstruction of the foot, ankle and lower leg. We have a very busy clinic and there is a separate Nail Clinic ran by Nail Health Techs. The residents spend a month at Carrie Tingley Children Hospital and 3rd year residents participate on a mission trip to Nicaragua. In addition, the residents rotate with 25 community DPM's including a private office rotation focusing on Ponseti clubfoot casting.
