The program is in entering its fifth year and already is getting attention all over for its robust training experiences and academic and practical rotations. Residents are exposed to multiple specialties and have hands on experience. Stimulating academic sessions are provided as well as exposure to limb salvage program at TMC Save a Limb Tucson program. Our residents interact daily with attending from different specialties of Medicine and Surgery and are expected to be knowledgeable and interactive. We are looking for excellence in learning experience and for potential leaders in our specialty.
