The first year of training is spent within the Cook County Health System as well as Weiss Hospital and focuses primarily on comprehensive podiatric medicine/surgery and general medicine. The following two years of training primarily consist of podiatric surgery/medicine at multiple affiliated institutions/facilities and in private practice settings. The program consists of multiple training institutions and resources that are available for various rotations and research. Due to the vast number of attendings at this program, the resident will have exposure to a diverse and wide variety of surgical techniques and practice management styles.
