PROGRAM OVERVIEW

Excellent all encompassing program focused on all clinical and surgical aspects of podiatric care. Enthusiastic and motivated instructors that provide instruction for "real life" podiatry. Busy clinics and surgical case load from forefoot and rearfoot reconstruction, pediatrics, forefoot and rearfoot revisional cases, internal and external fixation, all foot and ankle trauma, and total ankle joint replacements. Program goal is to make the resident a confident and competent physician and surgeon in foot and ankle care. Located in rural Illinois approximately 1.5 hours from Chicago, 45 minutes from Rockford, IL, and 45 minutes from Quad Cities, IA. Fantastic environment in which to learn with full collaboration with hospital staff/providers.
