All residents are trained according to the CPME guidelines. There are 20 + podiatrists on staff that interact with the residents. There is a good flow of surgery patients both on an inpatient and outpatient setting. All medical disciplines are available in the hospital district. There are 4 hospitals within the program, three outpatient surgical centers and an outpatient podiatry clinic. The program is approved as a PMSR/RRA with two approved spots by CPME and both are funded. A clerkship is available to all schools. Applicants are encouraged to visit or call the program at 954-966-4500 x1304 or email [podiatry@mhs.net](mailto:podiatry@mhs.net) prior to visiting.
