**PROGRAM OVERVIEW**

The following instructions are provided to assist all applicants in starting their military application process: The WAMC PMSR/RRA is the ONLY Residency Program in the country which trains Military Officers who are ACTIVELY SERVING in the United States Armed Forces. Therefore, our program REQUIRES that an additional Military Medical Application be completed by ALL applicants, along with the CASPR/CRIP processes and procedures. Completion and approval of the Military Medical Application is mandatory before an applicant can be considered for Military Residency training. Subsequently, ALL applicants are also required to BEGIN (or) INITIATE the Military Medical Application process before being approved for a one month Clerkship/Externship at our facility. Please correspond with Ms. VanDyke at rose.m.vandyke.civ@mail.mil to obtain a program information PDF copy detailing the application process.
