SVH PMSR/RRA-Cert program offers a well-rounded environment combining numerous academic, surgical and clinical experiences that help develop confident and well trained Podiatrists. Surgical cases at SVH are single scrubbed by residents. All numbers are usually reached by the end of 2nd year for FF/RF. Residents are encouraged to scrub in on any uncovered cases at SVH including plastics, vascular and orthopedic cases. No Orthopedic residents are present at this hospital. Residents work exclusively with three F&A Orthopedic Surgeons and multiple Podiatry attendings. Moonlighting options are available after completion of vascular rotation. Besides private practice clinical experiences, SVH has a state of the art wound care center, which includes HBO treatment options. Board Review, Attending Lectures, Journal Club and M&M Conferences are held monthly. Worcester is an approximately 45 minute drive from Boston, Providence, RI, Hartford, CT, and NH. Externships/visits are strongly encouraged. Contact the Residency Coordinator at 508-363-6350 to set up a visit or ask questions.
