Boston Medical Center is a private, not-for-profit, 496-bed, academic medical center located in Boston's historic South End. The hospital is the primary teaching affiliate for Boston University School of Medicine. Boston Medical Center emphasizes community-based care, with its mission to provide consistently accessible health services to all. The largest safety net hospital in New England, Boston Medical Center provides a full spectrum of pediatric and adult care services, from primary care and family medicine to advanced specialty care. BMC is the largest and busiest provider of trauma and emergency services in New England. The Emergency Department had 129,714 visits last year.

BMC Podiatry have over 20,000 outpatient visits and perform over 700 surgical procedures per year. We now have 7 full time teaching attendings.

BU's health and medical education programs have been ranked 22nd in the 2013-2014 Times Higher Education World University Rankings, conducted by Thomson Reuters.
