JSUMC is a robust program with outstanding multidisciplinary educational opportunities. We have several well trained and busy surgeons with a high volume of cases covering a wide variety of procedures to treat any pathology which you may encounter in the foot and ankle. We use state of the art technology in a fantastic hospital with strong administrative and academic support. We have a busy inpatient service, as well as a wound care center with HBO. We have an active ER call with an exciting case load in a level II Trauma center. Residents and students who have the opportunity to train with The Podiatric Surgical Program at JSUMC will benefit from a quality educational experience and will graduate with all the necessary tools to practice Podiatric surgery effectively in whichever environment they choose to practice.
