Bryn Mawr Hospital offers three PGY1 positions. Its three-year CPME-accredited PMSR/RRA Podiatry Residency Program provides high volume and diversity of surgical cases and elective and non-elective distal lower extremity surgeries. Residents state best aspects of program include, "hands-on experience with hands-on faculty, autonomy, great team environment, surgical opportunities, wound care and in-hospital training". Bryn Mawr Hospital does not participate in CRIP. Students whose schedules prevent a visit during the week, are encouraged to arrange for a weekend visit. Bryn Mawr Hospital is one of four acute care hospitals within Main Line Health and is recognized by U.S. News and World Report as among the top 10 in the Philadelphia region.
