St. John's Episcopal Hospital is a major teaching community hospital located in Far Rockaway, NY. The program is under the leadership of Drs. Arnold Hertz and David Gordon. In addition, our residents have the opportunity to scrub with and learn from 3 fellowship-trained Foot and Ankle Orthopedic Surgeons. During the second and third year of training there is a 2 month rotation with Aprajita Nakra DPM, faculty of the Podiatry Institute, with one on one surgical experience in advance rearfoot and reconstructive foot and ankle surgery.

St. John's also has a modern Wound Care Center with Hyperbaric Oxygen Therapy. Additionally, there is a Wound Care Fellowship. As we feel that an inter-disciplinary approach is an integral part of making our residents more well-rounded professionals, we've improved our sub-specialty rotations. We've also improved our education and lecture series, as we feel this is an important foundation for our residents' training.
