PROGRAM OVERVIEW

This ia a comprehensive three year program in a major teaching hospital. There are multiple residency programs in other specialties such as Internal Medicine, Orthopaedics, Vascular Surgery, Plastic Surgery, General Surgery and Radiology.

Having multiple residency programs enhances the educational experience of all the residency programs. .

Research opportunities are available.

The program is integrated with the Orthopaedic Surgery residency program where residents will be attending grand rounds and lectures together,

There is much to learn for the motivated resident.
