

MATCH WEEK WILL BE DIFFERENT THIS YEAR

BACKGROUND:

The American Podiatric Medical Students Association (APMSA) requested AACPM to align the dates and timing of match announcements to the MD/DO Match Week. COTH and the AACPM Board approved a pilot project to align the DPM Match Week with APMSA's requests where it was feasible to do so and agreed to begin the pilot with the 2017-2018 CASPR cycle.

WHAT DOES THE CHANGE MEAN TO YOU:

If you are an Applicant.....	If you are a Residency Program....
<u>At 11 AM ET Monday, March 19, Match Day</u> , you are notified of your match status but are not given the name of the program if matched.	<u>At 11 AM ET Monday, March 19, Match Day</u> , you are notified if your position/s filled but not given the name of applicant/s for filled positions.
If you did not match, MPII begins Monday, March 19. You may make changes to your application and begin designating programs at <u>11 AM ET</u> . Applications are delivered to programs at <u>3 PM ET</u> .	MPII begins on Monday, March 19 if you have unfilled positions. Applications are delivered at <u>3 PM ET</u> and you may begin ranking applicants.
MPII Rounds begin at <u>Noon ET</u> Wednesday, March 21.	Wednesday, March 21, ranking ends at <u>11:30 AM ET</u> and MPII rounds begin at <u>Noon ET</u> .
<u>At 11 AM ET Friday, March 23</u> , if you matched on <i>Match Day</i> , your matched program is available on CASPRweb.	<u>At 11 AM ET on Friday, March 23</u> , the name of the applicant/s that matched with your program on <i>Match Day</i> is available on CASPRweb.
If you remain unmatched after MPII, unfilled positions are announced at <u>Noon ET</u> on Friday, March 23.	Unfilled positions after MPII are announced at <u>Noon ET</u> on Friday, March 23.
